

Looking beyond cars and trucks...

Especially
around
here...

**Meet David Pellett, Manufacturing Specialist at
Toyota-Princeton, Indiana and Volunteer**

“Residents in the Ohio River Valley take a lot of pride in keeping the Riverfront clean and beautiful. This past year, I organized about 30 of our team members and their families from our Toyota-Princeton plant, for an annual cleaning event called River Sweep. By volunteering on this project, we also share that pride and we realize the joy that comes from looking beyond cars and trucks by simply giving a few hours of our time.”
